Town Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newfields, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Newfields Town Hall in said Newfields on Tuesday, the 14th day of March next, at 10 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see what action will be taken in regards to repairing the Old School House and to raise and appropriate money for the same.
4. To see if the Town will vote to raise and appropriate the amount necessary for the Insurance of the Newfields Town Hall.
5. To see if the Town will vote to raise and appropriate the sum of \$205.00 to make up the deficiency in the purchase of the Town Dump Lot.
6. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Tax Collector's Deeds.
7. To see if the Town will vote to accept the sum of \$150.00 from Miss Etta Pease for the care of the Hollis Pease cemetery lot in the Piscassic Cemetery.
8. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and thirty-three.

WILLIAM G. NIXON,
JAMES E. GRAY,
THOMAS R. SHEEHY,
Selectmen of Newfields.

A true copy of Warrant—Attest:

WILLIAM G. NIXON,

Report of the School Board

The annual meeting of the School District was held in the Town Hall March 8, 1932, and the following officers were elected: Perley R. Bean, moderator; Leslie F. Hayden, clerk; Francis N. Gray, treasurer; Eugene C. Patridge, auditor.

Elizabeth H. Fifield was elected a member of the School Board for three years.

The School Board met and organized as follows: Eloise B. Sheehy, chairman, Elizabeth H. Fifield, secretary.

During the year, the problem of a convenient source of water supply for school use arose and was successfully eliminated for all time.

The use of private water supplies, which of late have only water enough for their own use, made it necessary to provide a well on the school grounds.

A well driver already having his equipment in town made a large reduction in his price and by our own economy we found we could drive this well and still not overrun our budget.

We are very thankful to the Parent-Teacher Association for defraying the expense of installing an electric pump, drinking fountain, lavatory and piping the water from well into the school building.

We appreciate the fine work and personal interest taken in our schools by our superintendent, Mr. Towle, and our school nurse, Mrs. Dolbec.

REPORT OF THE SUPERINTENDENT

To the School Board of Newfields, N. H.:

It gives me pleasure to submit my fourteenth annual report as superintendent of the Newfields Schools.

Table I shows the present location of Newfields' pupils in elementary and high school grades.

TABLE I

Total Enrollment, Current Year to February 1, 1933

GRADES	1	2	3	4	5	6	7	8	9	10	11	12	TOTAL
Primary.....	10	5	9	0	0	0	0	0	0	0	0	0	24
Grammar.....	0	0	0	9	8	7	0	0	0	0	0	0	24
Robinson Seminary.....	0	0	0	0	0	0	5	2	2	1	1	0	11
Exeter High School.....	0	0	0	0	0	0	4	4	1	1	1	2	13
Newmarket High School	0	0	0	0	0	0	0	0	0	1	0	0	1
Totals.....	10	5	9	9	8	7	9	6	3	3	2	2	73

You will note that the total is 73. A year ago at this time the total was 65, and the year before that the total was 64. There is in this part of New Hampshire some evidence of the movement from cities, which observers tell us is a general condition in other parts of the country, and which is said to be due to the general depression in business. Newfields is affected to some extent by this movement and probably may expect it to be stronger during the next few years. The local schools can accommodate a few more pupils without greatly increasing school costs, but high school tuition costs, of course, rise with each added pupil. In a time of business depression the number of high school pupils increases. Thus, a district is faced with an added and more expensive enrollment just at the time when every saving in public expenditure is essential.

The board has taken no more forward looking step in good management in recent years, at any rate, nor one more appreciated than the provision of the good water which we now use. It had been greatly needed for a long time. It was fortunate that, in the emergency when some provision of water was a necessity, you could have a well dug at such low cost; it was fortunate, too, that the Parent-Teacher Association stood ready

to install all the equipment needed to bring the water into the building and to provide a drinking fountain and a hand bowl. Our thanks are due them and are gladly and sincerely given. The pupils revel in an abundance of fine water under the most sanitary conditions; their health is better and they live in a cleaner building. It is greatly to be hoped that before long the system can be extended to include flush bowl toilets. Basement room is so abundant in our school house that it would seem possible to obtain this sanitary equipment at small cost.

It is of great advantage to have as a school nurse, Mrs. Dolbec, who now knows each pupil and the home from which he comes. Success in such work depends much on co-operation with other people. Co-operation of this sort in Newfields has resulted in great good to the pupils. Mrs. Dolbec's report hereto appended is commended to your notice.

Frequent ways of checking on the progress of the school are employed by the teachers and by me. We try in our discussions to know exactly the capacity for work possessed by each pupil. We make each individual a subject for thought and study. We are anxious to detect any defect in content or method or management and to correct it at the earliest possible time and to guard against its recurrence. The teachers have experience, are devoted to their work. They succeed in having good schools where good order and steady work are the usual conditions.

It is a pleasure once more to record my appreciation for the hearty co-operation which is constantly received from teachers, parents, citizens and school officers.

Respectfully submitted,

CLIFTON A. TOWLE,

Superintendent of Supervisory Union, No. 16.
